SUPPLY CHAIN FINANCE

- DS-Concept provides funding to foreign suppliers based on your creditworthiness and financial strength
MAXIMIZE GROWTH POTENTIAL
- Bypass the cumbersome process of using letters of credit
AVOID DISCREPANCIES AND FEES ASSOCIATED WITH AN L/C, SAVE TIME AND ENERGY AS WELL AS "SOFT COSTS"
- Vendors benefit from lower borrowing costs
FASTER FUNDING AND HIGHER ADVANCE RATES

At DS-Concept, we use our expertise in international finance and trade to provide tailored cash flow solutions that enable organizations to grow globally and overcome challenges.

Our financing programs streamline the global supply chain, allowing companies to leverage their otherwise unused credit and eliminate discrepancies associated with the use of letters of credit.
